Retiree Benefit Recalculation Form
Reemployed less than 5 years

As a retiree reemployed in a PERS eligible position for a minimum of 6 months but less than 5 years, you are entitled to a separate benefit based on the service credit and average salary earned during the reemployment. This separate benefit will be added to the benefit you previously earned. If your benefit has been suspended during your reemployment, it is your responsibility to update your deduction and direct deposit information (if applicable) with PERS prior to the effective date of your re-retirement.

Retirees reemployed for less than 6 months are not eligible for a separate benefit calculation but may use this form to restart the monthly benefit if suspended.

Retiree Name (print): _____

Social Security Number: _____

Mailing Address: _____

Phone Number: _____

I have have not been reemployed for 6 months or more.

The termination date with my current public employer will be _____. I understand that the effective date for my separate benefit calculation will be the day following my termination date, provided by my public employer, or the day following the expiration of my service credit, whichever is later. I understand that my benefit recalculation must be based on the same retirement option and beneficiary I selected for my previous retirement benefit.
