Board Chair

September 28, 2021

Dear PEBP Member,

During the 81<sup>st</sup> Legislative Session, the legislature passed AB 494, giving State Active Employees and State Retired participants enrolled in a PEBP plan a 1-month health insurance premium holiday in 2021 and 2022. On June 11, 2021, the PEBP Board voted that members will receive the premium holiday for the month of October 2021 and the month of October 2022.

**NO ACTION IS REQUIRED.** To receive the premium holiday, members must be enrolled in a PEBP plan for the month of October. If you are enrolled in a Medicare supplement plan through the Medicare Exchange, VIA Benefits and elected PEBP dental, the holiday will count toward your PEBP dental premium. If you are a new hire enrolling for benefits or are in the process of completing an enrollment due to a qualifying life event that will be effective on October 1, 2021, you will also receive the premium holiday *once your coverage is processed*.

The premium holiday does not apply to COBRA participants, unsubsidized spouses, survivors, non-state actives, or non-state retirees. The premium holiday excludes premiums for Medicare supplement plans offered through the Medicare Exchange, VIA Benefits. Please contact your Agency Representative for additional questions. If you are not able to contact you agency representative, please submit a question through your [E-PEBP Portal](#). You can also contact Member Services at 1-800-326-5496, option #2, or by email at [memberservices@peb.nv.gov](mailto:memberservices@peb.nv.gov).

Sincerely,

Public Employees' Benefits Program
